

## SHOOTING SPACE LACROSSE POLICIES

### INCLEMENT WEATHER

Inclement weather is out of the control of the event directors, officials, and site managers. The LR Hill Sports Complex is outfitted with a state-of-the-art lightning detector. In the event the system picks up thunder and/or lightning, all play will be suspended until the lightning detector deems it safe to resume. In a tournament setting, management has the authority to adjust the schedule as needed, including, shortening games, adjusting the schedule, etc. In the event of extreme weather, it is up to the event/tournament directors, officials, and the site managers as to whether the conditions are deemed safe to play. All decisions are final.

### REFUNDS

In the event a session cannot be held on its scheduled date due to inclement weather, the clinic will be postponed until the rain date listed on the website. No refunds will be issued for the Winter Clinic Series due to acts of God (i.e. rain, severe wind and/or thunder and lightning, Nor'easters, Hurricanes, etc). Any requests for refunds/credits (for any reason) must be submitted in writing to [shootingspacelax@gmail.com](mailto:shootingspacelax@gmail.com) within seven days of the canceled event. Any amount that is approved to be returned will be no more than 75% of the total amount originally paid, due to expenses and processing fees.
